# The Web *SIS 2000+* Ranking Students

Introduction

Class Ranking is typically done at the end of each term. You can rank by one grade level or by all grade levels. Each time you rank, it will show a new report with a date and time stamp:

Current Ranking for Grade 12 is based on Term 1 of 2012
- **Ranking ran 11/17/2011 3:07:50 by 1654**
- **Included Courses in Grades 9-12**

There will be times you will want to exclude a student from being ranked.
**Example: If a student is a special education student or a student aged out.**
